Miles, Nige, Dave (deffo last season), Di, Mel, Dougal, JR,

Please **advertise** all jobs especially captains, secretary.

NUFC event:

Offer of function room at St James' for club events, possibly with player as after dinner speaker.

NUFC intention is to support grassroots sports clubs, so should be cheapish, but Mel to investigate.

4th Team:

Need a solid captain to steady ship and stop loss of players. Possibility of no relegation from Div 4. Club need to decide on whether we wish to play div 4 hockey or request relegation to

conference. Arguments for and against. Essential point is captain must be appointed and must be strong character. Andy Hockey has declined.

AOB:

JR apologises for absence at festival and AGM.

Mel: Dave Carter must organise summer squash league in order that people don't lose fitness over the summer.

Mel: Any summer events required??? BBQ suggested alongside some sort of summer playday.

Mel to organise.
